

Looking Toward 2009 and Beyond...

The summary of activities and accomplishments for IDOT in 2008 demonstrates a longstanding dedication to steadfast stewardship of assets and resources, continued excellence in transportation program delivery, and greater efficiency in internal process management. Advances in staff development, process improvements, productivity and technology within IDOT have led directly to advances in traffic safety, project delivery, communications, congestion relief and transportation development improving the economy and quality of life for travelers and workers throughout Illinois.

As IDOT looks to 2009 and beyond, long-range strategies center on further improvements in service efficiencies inside and outside IDOT, along with improved program effectiveness, staff productivity, communications and safety on behalf of all Illinois travelers and all stakeholders in the future of transportation development in Illinois.

The IDOT guiding principles promise that the Department will remain committed to continuing safety, integrity, responsiveness, quality and innovation as the IDOT way of doing business throughout Illinois. In these ways, every day, IDOT lives its pledge of professionalism and dedication to meeting the needs of Illinois travelers, and renews that pledge as a matter of course. Illinois can count on it.
